

COCKINGTONCOURT

Court Up in Cockington

November 2016

We've won another award!

We are delighted to have won a silver award for Dog Friendly Business of the Year at the Herald Express Tourism Awards, in October.

We know how much dogs and dog walkers enjoy the grounds here and what the Court offers. We dedicate this award to all of our lovely, four legged friends.

The award celebrates the extra mile that the Court goes to welcome all of their guests and make sure every visit is special.

▪ **A beautiful day for team building**

Message from the team

Thank you to everybody that came to Apple Day and had fun. Once again we were overwhelmed by the attendance and we had such great feedback on the day as everyone enjoyed all things apple. We love our events here – the Court has such a buzz!

Our first year of running food and craft markets has been a real success too. With a great group of foodies and local bands providing market goes with entertainment it was a no brainer to continue with the markets next year. They will run from April until October again on the last Sunday of the month. Anybody interested in having a stall please get in touch with us.

Our crafts studios are such an asset to us here and as the seasons change so do their amazing creations. Please continue to pop by and see their work first hand, watch how skilful they are and look at the unique items you can buy or commission.

After taking on the Tea Rooms we are really enjoying looking after everybody that comes through the door. Whether it's a hot drink or a light bite we love serving our customers. We are taking the time to invest in new kitchen appliances and update the Tea Rooms to help us to continue to bring new and exciting items to our menu offering. Please come and take a look.

We look forward to seeing you here again soon
